RE: YOU ARE SUPPORTING FRAUD

Facebook posts advertisements for counterfeit stamps every day. This document includes screenshots of such ads. The Websites all include copies of the USPS logo, which is a gross violation of copyright law.

See <https://www.uspis.gov/news/scam-article/counterfeit-stamps> if you are too stupid to be aware of US law governing counterfeit stamps.

Despite repeated warnings to your company that you are breaking US law by advertising such stamps, your firm ignores all the warnings.

I am reporting your company to the United States Postal Inspection Service because you are deliberately profiting from advertising criminal activity.

[I am not a lawyer and this is not legal advice. For legal advice, consult an attorney licensed to practice in your jurisdiction and qualified in the specific area of the law concerned. Clearly, you don't have any competent attorneys as company employees.]

Angrily,
